

# Placement report 2020-21

**Dr Kavita Patil**  
**Placement Coordinator**

Dr Panjabrao Deshmukh Institute of  
Management Technology & Research, Nagpur

# OVERVIEW

---

The placement Team of PDIMTR is devoted to provide good placement to our students. The students are given proper training for their soft skill and personality development. The placement cell motivates and prepares the students for the interview and prospective workplace.

The success of the placement is due to the support of team and every student of our Institute. The placement cell constitutes the student representatives and class representatives of MBA I<sup>st</sup> year and MBA II<sup>nd</sup> year. With the dedicated efforts of Director, HOD and staff of PDIMTR provides holistic environment for overall development of the students.

## Placement cell

---

Placement cell is to provide overall supervision and direction to recruitment related engagements and activities taking place in the institute which constitutes faculty and student representatives.

# Summer Internship Programme (SIP) for MBA I year Students (A.Y. 2020-2021)

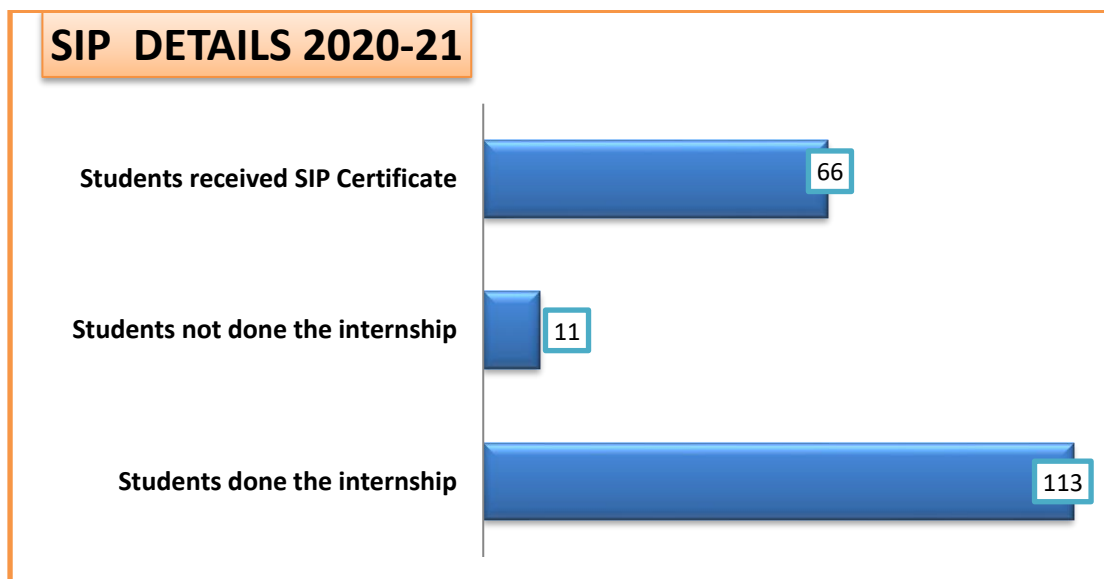

---

As per the Ordinance of RTM Nagpur University, students are required to undergo Summer Internship with an organization undertake training for 45 days or 2 months. The training helps the students to understand the company operations in marketing, HR, finance and various fields.

The selection process for Summer Placements starts after the second semester for the first year students. The period of Summer Internship is normally from the beginning of June to the mid of August. However due to pandemic to get the SIP was very challenging and all the students had done the SIP in virtual mode.

# Final Placement of MBA II year Students (A.Y. 2020-2021)

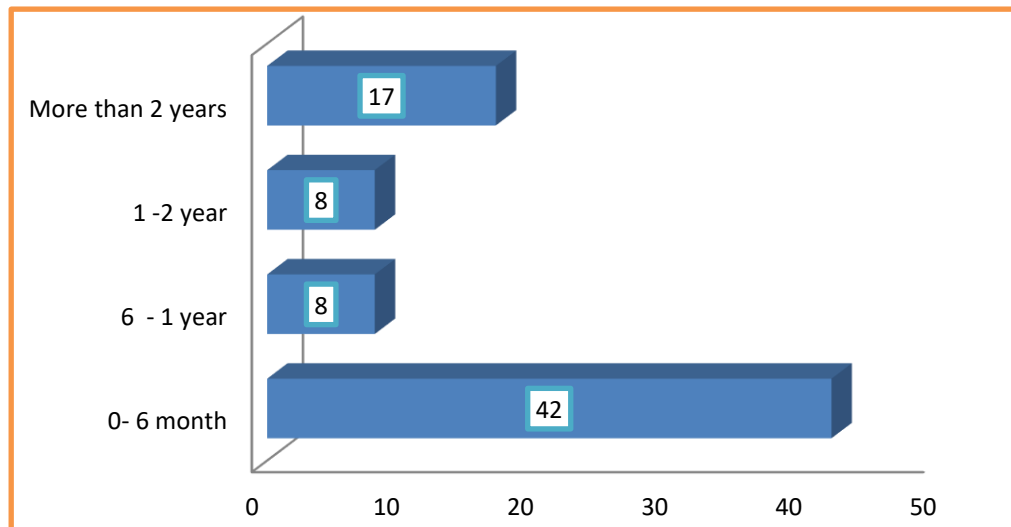

---

This process is usually conducted in the month of February, although recruitment through Pre-Placements Offers (PPO) and lateral process for students can happen from November onwards. The scenario for placement activities at Nagpur is for open and closed campus, where companies can prefer as per their requirements and we are open for both the process. However due to pandemic the virtual mode of selection were preferred by the companies for the selection process.

We thank all the stakeholders involved including the recruiters, faculty members, alumni, students, and staff for supporting the Final Placement Season of this year
