Our Pioneer

An extract from the welcome address by our founder President, Dr. Panjabrao Deshmukh, delivered on the occasion of the inauguration of Shri Shivaji Lok Vidyapeeth, at the hands of the then President of India, Dr. Rajendra Prasad, on 30th Dec. 1950:

"We have to build a new nation and in order to build such a nation our people must have knowledge. In order to acquire knowledge, one must study and study persistently and painstakingly. But how one can study? How anyone can increase knowledge when no facilities of any sort are available? Therefore, it is up to us to make every facility available to those who want to study and if there are any impediments, they must be ruthlessly demolished. People must be taught and educated to be staunch optimistic men and women, who fear no obstacles, who understand self-interest as well as national interest. They must have lofty ideals with high cultural and moral standards, supreme devotion to the state and supreme loyalty to the interest of the people."

Our Pioneer

Dr Panjabrao Deshmukh
Founder President of the Society
